

Jack Doe is 32 years old.

Jack has fond memories of Marvel comics from his childhood, and wants to start a collection of them - however, he has no idea where to start or how to find what comics he would like to buy.

Jack can use our website to search for comics that include his childhood favorite characters - or ones by an author he enjoyed a lot. He could even search for ones that came out when he was a kid.

---

Daniel Bobbert is 15 years old.

Daniel likes Marvel movies a lot, and his older brother has a collection of the comics.

Daniel wants to figure out some comics he should buy for his brother's birthday, knowing his favorite character is Spider Man.

Using our website, Daniel can search for comics including Spider Man.

---

Lucas Shaw is 19 years old.

Lucas is an avid comic-book reader and loves keeping up to date on the comic-book community and news.

Lucas just read the most recent edition of a popular new magazine and wants to go online to talk about what he just read and see how other people liked it or even any theories they might have about what will happen next.

Our website will have discussion sections for each comic where users can comment and talk about the comics.
